BACKGROUND

Andrew grew up in Atlanta, Georgia, the son of Thomas and Jean Eberhart. At age thirteen, his mother passed away from a battle with cancer. Andrew left home, dropped out of school, and lived in the “drug world” from age 13-19. He was incarcerated three times and left weather-beaten from using and dealing meth. Then Jesus radically changed Andrew’s life.

He graduated from Teen Challenge Middle Georgia in May of 2005, and began his studies at Toccoa Falls College, a small bible college in North Georgia. Discerning the call to preach he then arrived in Wilmore, KY to begin his studies at Asbury Theological Seminary. Through many more trials and triumphs Andrew was able to graduate with his Masters of Divinity alongside Jacob Thon Guot in May of 2016.

Andrew served as Pastor at Sandy Hook UMC in Sandy Hook, Kentucky for two years and then as a case manager at Revive Life House serving men coming out of the drug world. Andrew is Owner/Founder of Drinklings Coffee and Mugs, a company that combines coffee roasting with a mission and prides itself on quality and virtue. Drinklings recently opened its own coffee Roastery in Wilmore, KY and you’ll find Andrew there most days roasting + sharing coffee and Jesus with the community.

Andrew is honored to be married to April Joy Eberhart, and blessed to have two wonderful children, Emma Grace and Noah Thomas. Together they live in Nicholasville, Kentucky with their two cats, Arwen and Pippin, and their new dog, Eowyn.
